

- Submissions will be judged in three categories: middle school, high school, and college.
- Cash prizes (up to \$150) will be awarded to winning plays.
- Scripts may be monologues or include multiple characters.
- Do not write for set or staging; these will be performed in **Reader's Theater style**.
- As a general rule, each student playwright may submit up to three scripts.
- Please refer to the *Call for Submissions* document for all submission guidelines (button). Only entries that meet all requirement criteria as outlined in the *Call for Submissions* will be considered. Next Gen will host a special event – either a Masterclass or Showcase with Little Traverse Civic Theater actors – on Saturday, May 9, at 2:00PM for all those who submit a play.

Please reach out to Rachel Sytsma-Reed
at rachel@greatlakescfa.org with any questions.

Entries must be submitted by midnight, Monday, April 6, 2026.
